Concierge Tips

- Some restaurants in Sonoma County are not open 7 days a week. Check with the concierge ahead of time if you have restaurants you'd like to visit.
- Sonoma County is large- Please ask us for driving directions and estimated time it'll take to travel to your reservation.
- If you're heading to Napa Valley for dinner, we recommend booking a car service. We often use The Silver Service for our guests because they offer dinner runs at a flat rate.
