The Hollywood Hotel

2 WEEKS AGO by [ATTRACT TEAM \(HTTP://ATTRACTMAG.COM/AUTHOR/ATTRACTTEAM/\)](http://attractmag.com/author/attractteam/)

The Hollywood Hotel is located in the heart of where all the magic happens, in sunny Southern California! They say if you can make it in Hollywood, you can make it anywhere. Thousands of tourist flock to the streets of Hollywood hoping to catch a glimpse of their favorite stars.

This past weekend I had a huge photoshoot and after a long day of working I was in desperate need for some peace and quiet. A little “me time” goes a long way and thankfully that’s exactly what I received during my stay at The Hollywood Hotel.

This vintage, yet chic hotel was all that I needed. As soon as you walk through the doors you instantly feel like you've been transported back in time and into old Hollywood glamour, with a modern day twist of course. My room was cozy, extremely comfortable and the breeze coming in through the balcony was the perfect touch.

I threw on a plush robe (that every room comes with), kicked my feet up and enjoyed the serene atmosphere that is felt throughout the entire hotel. I indulged in a steamy shower that is seriously any bloggers dream! White, feminine and perfect for that Instagram worthy photo.

Are you ready for the best part?

A night of entertainment is only steps away from your room! The Hollywood Hotel has a comedy club downstairs where many celebrities have performed at previously. The stars must have aligned, because the night of my stay there was actually a comedy act performing and I had the pleasure of enjoying the show while sipping on a glass of red wine.

Rather than hitting a night on the town, I opted to call it a night and retreated back to my room. I made sure to leave the balcony door slightly cracked, allowing the sounds of the night to sooth me into a deep sleep. The very next morning I was awakened by the delicious aroma of breakfast which I took great pleasure in enjoying out by the pool before my departure.

Being a Los Angeles resident, I can appreciate the value in places like The Hollywood Hotel. I love being able to be in the heart of the city without necessarily having to leave the comfort of my hotel, and my my my was it comfortable!

Truly, the staff was amazing and accommodated me as if I was a regular. The Hollywood Hotel is perfect for people of all ages and offers a wide variety of options as far as atmosphere. If you are traveling with kids it's great because Hollywood Boulevard is only a short 5 minute Uber ride away. Their pool offers a great way for the entire family to relax and enjoy the sun. Having a girl's night? The Hollywood Hotel is ideal because you have plenty of club options, all within a 10-minute radius. Or you can hit the very famous Salsa club, La Descarga located on Western and Santa Monica. Maybe you're planning a weekend getaway for two, well enjoy the amenities The Hollywood Hotel has to offer and spend quality time with your significant other. You'll forget you're even in the busy city of Hollywood.

Hotels that have a little bit of everything to offer are my absolute favorite and I hope you take advantage of this prime location. Visit [The Hollywood Hotel](http://www.hollywoodhotel.net/) (<http://www.hollywoodhotel.net/>) to book your stay.
