

SANIBEL
ISLAND BEACH RESORT

Pet Lodging Agreement

Thank you for choosing Sanibel Island Beach Resort. Outlined below is our pet policy and procedures. We hope that you and your furry family member enjoy your stay!

Pet Policy

We welcome well-mannered dogs 30 lbs. or less in our first floor guest rooms. Guests bringing pets will be charged a \$75 fee per dog, per night plus taxes.

Leash Policy

Please keep your pet on a leash at all times. Pets are not permitted in the restaurant, lounge, tiki bar or on the upper or lower pool decks.

Housekeeping

Housekeeping will need to lightly clean your guestroom every other day at minimum. For the well-being of your pet, as well as the safety of our staff, please let the Front Desk know when you are available for Housekeeping service between the hours of 9AM and 2PM. Your pet must be crated and/or accompanied by their owner while Housekeeping is cleaning your guestroom.

Pet Walk

To ensure that we maintain a sanitary and enjoyable experience for all of our guests and neighbors, we kindly request that you cleanup after your pet at all times. The hotel is not responsible for any fines you incur for any infraction of the City of Sanibel ordinances with regard to pets or pet owners.

Damage/Noise Disturbance Clause

The guest is responsible for any damage and/or injury caused by your pet. This is in addition to the non-refundable pet fee. You're also responsible financially for any disturbances caused by your pet while occupying your guestroom, at the discretion of the Manager. If your pet cannot be left alone without creating a disturbance for others, you will need to take your pet with you when you leave the hotel. Noise complaints from surrounding guestrooms or guests may result in a non-refundable eviction and/or costly penalties applied to your guest folio.
