WEDDINGS AT THE LANDINGS ST LUCIA

The ultimate dream wedding is possible. Imagine sea breezes, reflections of the shoreline sweeping through your veil as the sun begins to slumber. The eternal sounds of a warm ocean kissing the sand as you kiss the one you will love for an eternity. Enjoy a seaside cocktail soiree or a traditional chapel ceremony followed by a stunning formal beachfront reception. Wedding dreams are a reality at The Landings St. Lucia. Being a resort with a soul we'll listen to what you want. From the second you contact us to the day you wave us goodbye after your honeymoon, our goal will be to breathe life into your dream.

In order not to intrude on your time on the island, we will work closely with you in the planning stages and when you are here and it is all about to happen, we'll be with you whenever you need us, every step of the way. Your personal wedding coordinator will keep in touch before your arrival by Skype, email and phone (whichever you prefer) and help you fashion your dream wedding. We'll execute each detail with the precision of a general with a small army of chefs, decorators, bar-tenders, designers, spa staff, housekeeping and villa managers.

Our chefs will passionately design a menu to pleasure even the most experienced taste. Your loved one will be captivated by the charm of a traditional tiered wedding cake or one adorned with our own tropical touches from orchids to hibiscus and jasmine.

On your special day, we can transform your suite into a tropical paradise while filling the pathways and bridal bed with petals.

As a resort with a soul we remember every couple who has married here as part of our St. Lucian Family. We have organised weddings from five to sixty guests, white dress and black tie weddings, and weddings from all cultures.

We'll work with you and offer suggestions as you decide on your wedding arch, artistic vase arrangements with flowers from our rainforests, the bridal bouquet, Grooms boutonniere, recorded and live music.

We have all the legal arrangements in place from the marriage officer of your faith and choice, to a justice of peace to process your marriage license.

This gives you the freedom to concentrate on enjoying your special day

Please note: Receptions can be accommodated in The Beach Club restaurant, the Grand Pavilion and throughout the grounds of our luxury St. Lucia resort.
