

## THE REEFS RESORT & CLUB AMONG TRAVEL + LEISURE WORLD'S BEST

*The Reefs honored with 'Hall of Fame' Distinction for  
More Than Ten Years of World's Best Recognition*

SOUTHAMPTON, Bermuda – The Reefs Resort & Club once again tops the *Travel + Leisure* World's Best awards rankings, named #3 among the top Caribbean, Bermuda & Bahamas resorts – the only Bermuda resort to make the list.

This ranking also continues The Reefs' recognition among the prestigious *Travel + Leisure* World's Best Hall of Fame, for appearing on the World's Best List for more than 10 years *in a row*. The Reefs is the only Hall of Fame member on the top Caribbean, Bermuda & Bahamas resorts list.

"We're honored beyond belief," said David Dodwell, Jr. resort manager of The Reefs Resort & Club. "Our goal is to showcase legendary Bermudian hospitality and it means the world that our guests feel we're succeeding."

The honor also comes as The Reefs culminates a three-year room renovation and a year of innovative dining additions. The resort recently opened Aqua Terra, a sea- and farm-to-table dining experience that evokes the flavors of island life with inventive dishes such as grilled octopus, along with traditional island meals of grilled rockfish and the famed fish chowder.

Weekly exclusive chef's tables highlight a seven-course meal with personally selected wine pairings and are consistent sell-out events. Each Tuesday brings the opportunity for a private tour of Wadson's Farm, where guests can personally select their homegrown ingredients and enjoy a meal that evening personally prepared by Chef Sisk.

Guests of The Reefs also consistently name the welcoming staff as a motivating factor in returning again and again. "We're coming up on our 20<sup>th</sup> visit there – we get a hug when we get out of our taxi on arrival and a hug when we come to afternoon tea. Bermuda becomes not a foreign country that you don't know – the staff is so friendly, it becomes like visiting a nice restaurant in your hometown," said Bob Meisch, who frequently returns to The Reefs with his family.
