

Here in Sonoma County, we take as much pride in our vintners as we do in our farmers, and we hope to share the bounty of our region with every guest. The Drakes Sonoma Coast wine program aims to highlight some of our favorite local producers, big and small, along with the many varietals we can offer due to the diversity of our land.

And though our bias is towards the wines of Sonoma County, we also feature a handful of international wines lovingly selected to pair with our cuisine. We hope that all of our guests take the chance to explore the beautifully comprehensive world of wine during their stay, whether by enjoying a bottle of Sonoma Coast Pinot Noir or a bottle of Champagne.
