Zemi Beach House, Anguilla

Nestled on six pristine acres on the east end of Anguilla's world-famous Shoal Bay in the northern Caribbean, Zemi Beach House is a brand-new, luxury boutique resort with an intimate beachfront ideal for wedding celebrations. An exquisite backdrop of Shoal Bay and the Caribbean Sea are perfect for a barefoot ceremony in the sand.

You can also opt to have your ceremony in the beautiful Spa Garden, located beneath an Ancient Thai House Spa transported from Thailand and reconstructed on Anguilla. Or for the untraditional and adventurous, a ceremony can be arranged atop the oceanfront infinity pool, fashioned with a plexiglass floor.

Wedding guests can enjoy an international menu of Caribbean-inspired specialties fused with the flavors of Latin America from the culinary team of Zemi Beach House. An elegant poolside reception or formal seated dinner overlooking the ocean complete this destination wedding experience and make for a night to never forget.

Visitors can access the island via private jet into the newly modernized Anguilla airport, or via boat charter from St. Marteen.
