**Dead Sea Salt Skin Repair:** [The Westin La Paloma Resort & Spa](#) boasts an on-site therapeutic mineral pool that incorporates salts from the Dead Sea. The exotic minerals stimulate blood flow to promote healthy skin.

**Underwater Sound System:** Travelers staying at [Fort Lauderdale Marriott Harbor Beach Resort & Spa](#) can enjoy tranquil underwater melodies played via a waterproof sound system at the exclusive adult-only pool.

**Beauty Tech:** [W Retreat & Spa – Vieques Island](#)'s infinity-edge WET® splash pool features Netatmo June sun care tech bracelets that measure UV rays and monitor sun exposure, sending alerts when to reapply sunscreen.

**Mermaid Academy:** The [Hilton Orlando Bonnet Creek](#) pool is home to the prestigious Mermaid Academy. Instructors teach guests how to swim like mermaids or sharks in an innovative and interactive class.

**Submerged Selfies:** [Zemi Beach House](#), a luxury boutique resort in Anguilla, features an oceanfront infinity pool with an [underwater window facing](#) one of the world's best beaches, Shoal Bay East. Guests can take subaquatic photos with no filter needed.

**Floatation Pool Menu:** [Hilton West Palm Beach](#) offers a floatation menu for an Instagram-worthy swim. Guests can order from the Palm Deck menu to select exotic pool floats ranging from a large purple unicorn to a swan for two.

**In-pool Bartenders:** At [Sandos Cancun Luxury Resort](#), guests never have to leave the comfort of the pool because the resort offers in-pool bar service where bartenders come into the water to take and serve up libations. The three-tiered infinity edge pool also boasts a different water temperature in each tier to suit every guest.

**Swim-in Spas:** The [Excellence Playa Mujeres](#) features pools that snake throughout the property, leading guests directly to the Miile Spa where they can indulge in a variety of treatments or simply enjoy the spa facilities.

**Relaxation Therapy:** Swimmers of all ages can say farewell to stress and soak up some Florida sunshine floating down [Hilton Orlando's](#) 892-foot long winding, twisting and gently meandering lazy river.

**Keeping it Wavy:** It's surfs up for the whole family at [Great Wolf Lodge's](#) Slap Tail Pond wave pool. Families are invited to wave, splash, and go with the flow as the swells sweep in every five minutes from the five-foot deep end to the zero-depth-entry shallows to lift and transport guests on the surge of the ocean's tide.
